PARMA VIOLETS

Parma Violets; The Sweetest Feeling. Ah yes. Remember Parma Violet sweeties? You're six years old and life is completely carefree. This candle takes you there. One of our most popular scents and with jolly good reason.

BLUSH TIN

Blush; The First Kiss of the Night! A sultry, smouldering scent up close, and when dissipated into your room, a unique, precious and beautiful thing.

FRESH LINEN

Fresh Linen; Morning Sun and Mountain Air. Super fresh and breezy. Like it's just taken in off the line. Look very closely and you'll see that the label is embossed with a fine white linen pattern. Now that's what you call attention to detail.

CHRISTMAS SPICE

Christmas Spice; A warm Blend of Cinnamon and Cloves. Our most popular Christmas scent, making any room smell divinely festive, this Classic Christmas Scent with its aromatic blend of Cinnamon and Cloves make it the Perfect Fragrance for an evening curled up in the cosy warmth of home.

DAISY DIP

Daisy Dip; In a faraway field. A light floral fine fragrance, this popular scent was named after the field where Lily-Flame's co-founder, Jo used to play as a girl. Ah- isn't that sweet!

BLUEBELL FOREST

Bluebell Forest; Dewdrops on Your Shoes. The sun's rays make you squint, and you can feel the soft earth beneath your feet as the light shines through the forest's dappled canopy above. Soft, fresh and sweet in equal measures. A remarkably evocative Bluebell scent.

RELAX

Relax- Be Kind to Yourself. The simple message here is to do exactly what it says on the tin! A tranquil, soft, rounded scent to help you unwind. Part of our new co-ordinated Spa range. To suit your mood, they're lovely to use anywhere, but especially good when you're pampering yourself.

THANK YOU

So very much! Hmm... How can I say thank you for that kind deed? A card? A poem? Some flowers? How can I combine a little bit of each and make that thought last for ages? What a Lovely idea!

GARDENIA

A simple, Lovely Gardenia. We used to make this in the form of a Frosted Glass years ago. When we stopped making them, demands for Gardenia were so fierce and forthright that we began to have concerns for our personal safety. So here we are- It's Back!

SPRING TIME

Blossoms and Butterflies! A fresh Floral scent gathering up a glorious bunch of Fuchsias, crocus, Lilies and Lilacs.- With a sunny yellow label to brighten any day.

ROSE PETALS

Rose Petals; A Delicate Handful. A very strong, yet gentle scent. Complimented by its delicate, light pink wax and its pleasing, pink paper label. An exemplar of scented candles!

TASTE OF PROVENCE

Taste of Provence; Marjoram, Thyme, Rosemary and Sage. Culinary perfection. For a person with a nose that knows. Great in the Kitchen (though consistently refuses to wash up).

EXQUISITE

Exquisite- It's Time to Shine; Both Rich and Fresh, a Fine Fragrance along the lines of Fairy Dust, Blush and Dolly Rocker. Old fashioned, in a good way. You could describe it as vintage; Like Paris in Spring time!
