Colourful shades of the sea

Byon is the brand which never stops discovering new playful colour combinations, patterns, shapes and textures. The design is functional in an ingenious way where curiosity always brings out the personal element in every tangible created. Byon loves to surprise and does so in a humble way and with a big heart. Because it feels very special to be part of someone's home, to open up for new ideas and to give innovation its own brand name.

This is Byon's world. Welcome to us!

byondesign.com

This spring and summer we let the magic of the sea and the twists and turns of the wind tickle our senses to take playfulness and curiosity into your home the Byon way. Here, in the space between reality and fantasy we have created new exciting collections.

Our Momentous tangibles will take happiness and energy to an unknown level. Colours, shapes and patterns express themselves high and low. They flourish. They grow. They bubble. But in the midst of this euphoria serenity rests, like that kind of peace which is created when the silence under the surface embraces you.

The background is an abstract composition of swirling, ethereal colors. It features soft, flowing patterns in shades of white, light blue, and pale yellow, creating a dreamlike, watery texture. Interspersed within these soft tones are more vibrant, solid-colored shapes: a bright blue, a deep black, and a rich brown. These shapes appear to be floating or emerging from the swirling background, adding depth and contrast. The overall effect is one of movement and organic, fluid forms.

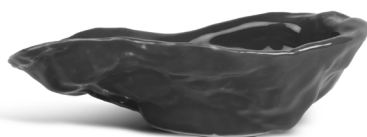

Life is here and now. In the seemingly insignificant moments, in the energy-filled highlights and in everything in between. And it is right here, in this everyday universe, that this seasons fairytale: Colourful shades of the sea takes place... Let us introduce the Momentous Tangibles of SS2024 for you.

42 Sea Collection

With roots on the west coast shells always have a natural place at Byon. Shapes which nature itself has created. In the Sea Collection the shape of the shells has met the imagination and become something we hardly thought existed. The porcelain is glazed or mat for the natural to meet the luxurious. Here you can find plate shell in different sizes, Bowl Awa small and big, Bowl shell and Shelley among other items straight from the sea. As always at Byon there are no rules about how things should be used. What's important is what you want! Designed by Byon Studio.

The Oyster Family

Under the sea surface you'll find a world of unknown shapes and beautiful materials. We eat from shells, welcome rugged surfaces and change glitter to salt spray. The sea moves indoors when we decorate and set tables, simply because we cannot resist the playfulness. Bowl Oyster is a result of when the depth of the sea makes an impression to our creations. With its playful blue, beige or grey suit with a glossy finish, this bowl becomes something very special. It's also available in white with a matt finish. Mix colours, use it for jewelry, tapas or flake salt. The bowl is made off dolomite and are dishwasher safe for easy cleaning. Do not use in a microwave or oven.

We definitely love oysters, to look at and to eat. The serving plate Oyster is therefore a natural addition to our Byon collection. The plate is stylish, practical and stackable with serving pockets for your oysters. Its suit is shiny grey like it was made from silk.

Swirl

Uneven, round, twisted, organic, oversized and with crooked messy stripes. Swirl is the result when ceramics becomes handicraft in a modern way. The matt black-glazed surface meets the uncoloured raw one, and the contrast feels genuine. Swirl is chunky without being heavy. The perfect breakfast set if you ask us. Swirl is made of stoneware and is dishwasher and food safe. Designed by Byon Studio.

Decorations

Lori

Lori is lovely to the eye in a powerful way! Inspired by pleated skirts in the fashion world, its shape reminds us of a flower just about to unfold its petals. The glazed colours and the contrasting round low foot, makes Lori into a creation you won't forget in the first place.

No matter where Lori moves in, it does it with the same power as exclusive trophies. Lori products are handmade which makes every piece unique and can vary in their looks. Do not machine wash. Designed by Byon Studio. Delivered in Byon box.

Vase Electra is full of contrasts. At first glance it reminds us of a beautiful flower in a shimmering pencil-grey nuance. But at a closer look it has a vague metallic effect making us think of disco balls and late nights. Filled with a colourful bouquet of flowers an almost dramatic effect is created. Handmade in mouth-blown glass. Delivered in Byon box.

Textiles

Textiles animate everything we love in a room. No matter where you're putting them, no matter what shapes they come in, they always manage to show off in the end. Not necessarily as big and beautiful, though that happens quite often as well, but as the extra touch, the detail that makes a difference over and over again.

Throw Franca

With an incredibly luxurious feel this blanket will add a lovely touch to every home no matter if you are indoors or outdoors. Warm and comfy but also beautiful to hang over the couch with its fringes. It's made of 80% wool and 20% polyester. It's a bouclé yarn which has small or large loops which in their turn add volume to the yarn and create an extra wooly and warm product without compromising its lightness. Available in a cocky blue which lights up the atmosphere or in a warm salmon-pink tone which adapts to the surroundings. Both tones make us think of the colours of the sea. Generous size of 130x170 cm. Dry clean only! Designed by Byon Studio. Delivered with Byon hangtag.

Collection Leya

Flowers have always been important to Byon. This because they make us exceptionally happy. Leya is a sassy flower pattern designed for Byon only, which has succeeded with the combination to be delightful and at the same time gutsy. The pattern is inspired by the 1970s look but can definitely be mixed with more contemporary colours. All the flowers play an important role without stealing the show from each other. The tones stretch from dusty pink, via magenta and claret to pop blue and ocher yellow. The blackness of the pattern feels dramatic and beautiful. Leya decorate among other things, tablecloths, napkins and bags, sometimes just as a detail and sometimes the whole product.
